[Apology to Metron Nutraceuticals and to Dr. Nikolaos Tsirikos-Karapanos](#)

On August 10, 2016 at 1:25 PM I sent out a group email, which you received with the subject "Metron Recall". MY EMAIL CONTAINED NUMEROUS FALSE STATEMENTS AND MISREPRESENTATIONS. I am sending this email to express my deep and sincere APOLOGY to Metron Nutraceuticals, LLC and to Dr. Nikolaos Tsirikos-Karapanos and to set the record straight.

In my effort to compete against Metron, I sent DEFAMATORY and FALSE statements about Metron Nutraceuticals, one of Metron's products (CytoDetox) and about Metron's President, Dr. Nikolaos Tsirikos-Karapanos.

Clearing the air as to my prior MISREPRESENTATIONS, the following is the actual truth:

- No Metron product was EVER recalled by the FDA including Metron's product known as CytoDetox.

- During my time with Metron, Metron always operated ABOVE AND BEYOND the FDA standards for nutraceuticals. I have no reason to believe this has changed after my time with Metron.

- Dr. Nikolaos Tsirikos-Karapanos is the inventor of Hydrolyzed Clinoptilolite Fragments and is the owner of the only U.S. Patent for this technology.

- Although neither I nor anyone else that I know ever participated in any research or development of Metron's Hydrolyzed Clinoptilolite Fragments, I am aware that Metron's products are supported by extensive research and testing.

With this email, I also provide my deep and sincere APOLOGY to Dr. Nikolaos Tsirikos-Karapanos for the UNTRUTHFUL comments I made about him and Metron Nutraceuticals in Facebook posts over the last two years.

I also apologize for FALSE and PERSONAL accusations about Dr. Tsirikos-Karapanos, not only as a businessman, but as a husband to his wife and daughters. These personal attacks were distastefully inappropriate and FALSE.

With this public apology recanting my August 2016 email and numerous Facebook posts, I hope that the Tsirikos-Karapanos family and that Metron can accept this apology. To demonstrate the sincerity of this statement, I will post this public apology to my Facebook page as well. I hope that if you formed a negative opinion of Metron, its products or its owner based upon my August 10, 2016 email or any other negative communications I may have had with you, that you can change your opinion to view this company, its ownership and its products in the positive way they deserve.

Please accept my promise that this will never happen again.

Clayton Thomas
